

COVID-19 Vendor Checklist

The following is a simplification of the measures VFM is taking to address COVID-19 and focuses on the bare minimum vendor requirements. Vendors who do not follow the requirements will be subject to VFM's rule violation process. Many vendors will choose to go above and beyond the requirements listed below:

1. Stay Home if Sick

- Must leave immediately if presenting COVID symptoms
- Must present negative COVID test to return to markets

2. Physical Distancing (see Appendix A for details)

- Must use physical barrier to keep distance from shoppers
- Must post and manage maximum capacity in walk-through stalls
- Must manage shopper physical distancing within 10ft radius of stall
- Must wear face covering at stall when not behind a physical barrier (i.e. restocking, managing shopper capacity, etc).

3. Hand washing

- Must have wash station or hand sanitizer for vendor use
- Must demonstrate food handling and payment separation

4. Sanitizing

- Must have sanitizer present (disinfectant wipes, bleach solution, alcohol, etc.)
- Must wash and sanitize high-touch surfaces regularly

5. Ensure Shoppers Eat Outside Market

- Must provide take-away options for ready-to-eat food
- Must post prominent signage re: not eating in market
